

# BIRTHDAY PARTY @ THE TOWN

~~~Read the Rules Section Before Continuing~~~

## \*Introduction

At Kidz Town, we understand how special birthday celebrations are. Children grow quickly, and the memories made on these occasions become truly invaluable. Our goal is to help families create unforgettable moments by offering a selection of affordable party rooms.

Parents are welcome to tour our facility during business hours; please note that a waiver must be completed before entering.

Please remember that Kidz Town is **not** a daycare facility. All children must be supervised by a parent or legal guardian at all times, and every guest is required to complete a waiver. Friends' parents, teachers, and godparents are **not** considered legal guardians. If you're unsure, we're happy to clarify.

**All rules to any party guests apply equally to everyone. Please read our rules.**

\*Please be advised that the square footage of the rooms are approximate numbers.

\*Room capacity are set accordingly to fire safety.

Each party room includes a set maximum capacity, which reflects the total number of adults and children combined. If you exceed the allotted guest count, an additional fee of **\$10.00 per extra guest** (adults and children alike) will apply, for up to 10 additional guests—minus the number of immediate family members. We only allow 10 immediate family members not to be counted towards the room count.

Please note that the birthday child, their siblings, parents, and grandparents are **not** counted toward the extra guest fee.

## **\*Food and Decorations**

We understand that many parents wonder why some facilities require all food to be purchased through them—often at higher prices. For example, a large pizza elsewhere may cost significantly less than the \$15 charged by other venues. At Kidz Town, we don't believe in those kinds of practices.

Our rooms and packages do **not** include food, decorations, or setup items. We want parents to have the freedom to choose exactly what they want to serve and how they want to decorate. After all, selecting colors, themes, balloons, and décor is part of the fun—and part of creating meaningful memories you'll cherish for years to come.

If you need assistance decorating the room, our staff will gladly help **during the designated 30-minute setup time only (if requested)**. Please note that our staff is not permitted to inflate balloons.

The only item our staff cannot assist with moving or handling is the birthday cake.

Alcohol, smoking, e-cigarettes, foul language, heating devices (such as crockpots), glitter, and any open flames (with the exception of birthday candles) are strictly prohibited inside the party rooms and throughout the entire facility. Confetti, piñatas, and balloon shine products are also not allowed.

A **\$75 cleaning fee** may be applied if the room is left excessively messy or if any prohibited items—such as confetti, piñatas, or balloon shine—are used.

## **\*Reservation**

Reservations can be made **in person only**. We do not accept reservations online or over the phone. All bookings are handled on a **first-come, first-served** basis.

A **nonrefundable and nontransferable 60% deposit** is required at the time of booking. Please double-check that your selected date and time are correct. We also recommend reviewing our full party disclaimer prior to making a reservation.

A completed and signed **Birthday Party Agreement** must be submitted at the time the reservation is made.
