

BIRTHDAY PARTY @ THE TOWN

~~~Read the Rules Section before continuing~~~

## \*Introduction

Here at Kidz Town, we understand how precious and important it is to celebrate a loved one's birthday party. Kids tend to grow very fast and before you know it, the only thing that you can look back on are memories. Kidz Town is devoted to help parents celebrate an unforgettable day for your child by providing several rooms at an affordable price.

Parents who would like to tour our facility are more than welcome to come by during our business hours, however, a waiver form must be signed prior to entry.

Just to keep in mind, we are not a day care. Every child must have a parent or a legal guardian present at ALL times and a waiver must be completed by everyone prior to entry. Example of people we do not consider as legal guardians are friend's parents, teachers, god-parents...please ask us if you have any doubts on who are considered as legal parents.

**All rules to any party guests apply equally to everyone. Please read our rules.**

## \*Hours and Pricing

Party hours are as follows: 10:00am – 12:00pm, 1:30pm – 3:30pm, 5:00pm – 7:00pm.

\*Please be advised that the square footage of the rooms are approximate numbers.

Each room shows a total number of adults and kids combined. If you have some extra guests, then an additional \$10.00 per guest (regardless if an adult or child) will be applied (up to 10 guests **only** minus the number of immediate family members). Birthday child, siblings, parents, and grandparents not be charged.

## **\*Food and Decorations**

We have come across many suggestions as to why parents are always stuck having to purchase food through their facility. Other places may charge you \$15 for a large pizza when parents can just get the same exact one for less. We don't like playing games like that.

Our rooms and our packages do not include any food, decorations, or setup items. We want the parents to have the freedom to feed their kids what they want. What's the fun in hiring someone else to do all the decorations for you? Remember, every moment is a memory that you get to cherish for a lifetime from picking out the colors, characters, balloons, and setting them up.

If you need help with decorating the room, our staff will be more than happy to help during the 30-minutes set up time **ONLY**. Please note, our staff will not be allowed to blow any balloons.

Birthday cake is the only item that our staffs will not help with moving.

Here are **some suggestions on what to bring**:
